

Dear parents / carers

We have measured \_\_\_\_\_ and they are currently (please tick below)

- Under 125cm
- Between 125cm and 135cm
- Over 135cm

Please could you indicate in each section below the type of car seat you are happy for your child to be sat in when travelling with PKC.

Please note that by law children **must** be 135cm in height in order to sit with no car seat and 125cm to go onto a backless booster seat. If you wish your child to travel with no seat or a booster we will only be able to authorise this choice if they meet the height criteria.

Many thanks

The PKC Team
